

Putting the Pieces Together: Shared Experiences of HCBS Implementation

November 17, 2017

Our Panelists:

- ▶ Tammy Butler-Fluitt, Executive Director, Samaritan Center of Excellence, Rochester, NY
- ▶ Kristi Graziano, HCBS Director, Association for Mental Health and Wellness, Ronkonkoma, NY
- ▶ Linda Harrell-Davis, CEO, Me Time Massage and Wellness, Rochester, NY
- ▶ Doug Meyer, Director of Services, MHA in Essex County, Westport, NY
- ▶ Karen Rogers, Owner and Founder, Exercise Express, Rochester, NY

Facilitated by: Douglas Ruderman, Behavioral Health and Managed Care Technical Assistance Specialist, NYS Office of Mental Health

Learning Objectives

- Share provider experience implementing HCBS services throughout NYS, including staffing for HCBS service provision at implementation and as demand builds.
 - Discuss opportunities for outreach to potential HCBS service recipients, HARPs and Health Home care managers.
 - Discuss person centered planning through the process of defining frequency, scope and duration of an HCBS service
 - Contracting and credentialing for HCBS services.
-
