Have you ever chatted with an Unapologetically Black Unicorn—someone who symbolizes freedom, power, strength and is a true force of nature and thought, ‘WOW people need to hear this’? Now you can and learn how to be a U.B.U. too!

Join the weekly conversation with host Keris Jän Myrick, an unapologetically Black unicorn in their own right, and nationally recognized mental health advocate chatting with amazing U.B.U. folk who are advancing all things mental health, racial justice, and anything cool to enhance human existence.
