LMSW

People USA is a peer-run mental health nonprofit that creates, provides, and promotes its own, innovative crisis response and wellness services.

Recovery Options Made Easy

Vision Statement

To ensure that everyone has choice and support in their recovery journey.

Mission Statement

Recovery Options supports people with mental health concerns to improve wellness and live independently with dignity, in the community of their choice, through peer driven services including: respite, recovery, crisis, and supported housing.

Unique Elements of Peers

- Mutuality
- Diversity of thought and perspective
- Balance of Power
- Lack of Judgement
- Providing Hope

Crisis Stabilization Center

The Stabilization Center is a 24/7 community crisis response hub where people of all ages can connect immediately with an integrated team of counselors, peer specialists, and behavioral health professionals.

Diverting 2,500+ hospital days each year with our Crisis Stabilization Center

Rose Houses

- 24/7/365 short-term crisis respites that are home-like alternatives to hospital psychiatric ERs and inpatient units.
- Currently, there are 4 houses serving 6 New York Counties.

 We have helped open 42 Crisis Respites using the Rose House model.

 Saving healthcare system \$6.57+ million each year with our Rose Houses.

 Responding to 10,000+ Warm Line calls each year

Community Connections

- What do these partnerships look like?
- How does this move the needle?
- How does this make a continuum run differently?
- How can this change outcomes for your participants?
