

## Training and Technical Assistance Facilitator

**Job Title:** Training and Technical Assistance Facilitator (for WNY)

**Department:** The Collective Training Team

**Organization:** Alliance for Rights and Recovery (formerly NYAPRS)

**Location:** Remote (Must be located in Western NY)

### Job Description:

The Alliance for Rights and Recovery is seeking a talented Training and Technical Assistance Facilitator to join our expanding team. As a vital member of our Collective Training Team, you will play a key role in developing and delivering training programs and technical assistance initiatives across our statewide network. This position is ideal for individuals passionate about mental health recovery, and trauma informed, cultural aware practice.

### Key Responsibilities:

- Delivers training and provides technical assistance for mental health provider agencies and programs on-site and via online platforms.
- Meet or exceed monthly, quarterly and annual targets.
- Engages Agencies in training by marketing your training and technical assistance services via in person contacts, telephone and email, and the development and implementation of work plans.
- Creates and develops multi-media training and technical assistance materials including PowerPoint presentations, related exercises, pertinent documents and web resources.
- Assure timely submissions and entry of data and statistics.
- Attend conferences, webinars and workshops to update skills and market services.
- Represent the Collective and The Alliance for Rights and Recovery in National, statewide, and regional meetings in order to advance the work of the collective and engage the provider community in shifting the culture to enhance recovery-oriented practices.
- Attends and participates in team and agency meetings and supervision.
- Performs other duties as required or assigned.

### Qualifications:

- High School Diploma or GED; BA/BS preferred.
- Experience in formal training.
- Demonstrated ability to engage others in training.
- High competency with computers/ technical equipment

- Excellent Oral and written communication skills
- Good Organizational and time management skills
- Ability to act independently.
- Lived experience with the mental health system preferred.
- Valid driver's license and ability to travel extensively.

#### **Benefits:**

- Competitive salary commensurate with experience.
- Comprehensive benefits include health benefits, vision and dental at no cost to a single applicant.
- An impressive paid time off package including vacation, sick and personal time.
- Opportunities for career development including continuing education.
- A supportive and collaborative work environment with dedicated colleagues.
- Meaningful work that makes an impact on the lives of individuals who participate in behavioral health services.

#### **Attributes:**

- **Dynamic and Creative:** Bring innovative ideas and solutions to training and implementation strategies.
- **Driven and Motivated:** Show enthusiasm and commitment to the mission of transforming mental health systems.
- **Adaptability:** Comfortable working in a rapidly growing and evolving organization.

#### **Why Join Us:**

The Alliance for Rights and Recovery offers a dynamic and supportive work environment where you can make a meaningful impact on individuals and communities statewide. This is an exciting opportunity to contribute to the expansion of recovery-based services and promote positive change in the field of mental health and substance use.

#### **Application Process:**

To apply for this position, **please submit a cover letter and resume** detailing your relevant experience and qualifications to [hr@rightsandrecovery.org](mailto:hr@rightsandrecovery.org). Highlight any prior training experience, public speaking engagements, and familiarity with mental health systems. We look forward to welcoming a passionate individual to our team dedicated to improving mental health outcomes across the state.
